Alan - given that the mid-coast basin is in your stomping grounds and you work closely with DEQ it would make sense for you to participate.

Subject: ACTION BY COB THURS: Availability for Conference Call to Discuss a Contract for LiDAR Data Collection and Landslide Mapping in Oregon's MidCoast Basin in Early May

Hi All:

I am seeking your availability for a conference call to discuss a contract for LiDAR data collection and landslide mapping in Oregon's MidCoast Basin.

Please complete the following doodle poll and don't forget to change the time zone. Please forward to anyone else who should be invited to participate in the call.

<http://doodle.com/ekxcdszsu253z3ia>

Attached is the draft scope of work, map and estimated costs.

Regards,

Jayne Carlin, Watersheds Unit
